2. HSUK proposed intercity services
3. HSUK proposed airport services
4. HSUK proposed freight routes
5. Index to cost estimate for proposed HSUK infrastructure
6. Index to cost estimate for proposed HS2 & Northern Powerhouse Rail infrastructure

October 2021 Update

Proposed HSUK services supported by:
a) detailed route design at 1:25,000 scale of all new-build, restored and upgraded routes, b) development of bespoke schemes for hub station enhancements in all major cities, and c) development of 'demonstrator timetable' setting out achievable journey time reductions.

For details of HSUK services to Northallerton & Durham see document S15
